

Membership Secretary Report for 2026 AGM

As of 13/08/26 NMAC has 505 members. This is slightly ahead of the number at the same time last year when I took over the role as Membership Secretary.

Membership Splits:

1st Claim – 98

2nd Claim – 384

Committee – 13

The rest are made up of Honorary, Social & Non Competing Members

Fees for the 2026/27 season were set at:

1st Claim Members - £35 Included £23 EA Fee and £15 NMAC Fee

2nd Claim Members - £15 NMAC Fee

As England Athletics did not release details of their fee for 2026 until after last year's AGM and we had already advertised the 1st claim fee, NMAC ended up subsidising each 1st claim member by £3 this year. The constitution has been amended so that we can charge the full EA fee once it is known plus the NMAC fee for 1st claim members in 2027.

Committee members received free NMAC membership in recognition of the work they do for the club. If they are first claim members, they still need to pay for their England Athletics affiliation fee separately.
